Kurt Bossert got a great reaction from Mike Blakeley and Liz Courinho when he brought his almost magical fiddle up close and personal at the head of a group performance at the Uptown Sound Studio in Marble Falls last Friday night. The event, which also featured John Arthur Martinez, John David Kent and headline Alex Harvey, kicked off the 2016 Fiesta Jam on Lake Marble Falls last weekend.

Scatterthought

If you are reading this, I’ve survived another really busy month. This time, after taking a vacation at the end of July and having a remarkably good August (the rain helped a lot; not only canceling events but lowering the temperature lower and putting most people – including me – in a better mood), I’ve been able to handle the heat and stress of September. Now I’m all ready for fall.

For some reason, October seems to be “History Month” in the Highland Lakes area. Probably because it marks the birthday of John Hallowell, 1774, Fort Croghan Day (Saturday, October 8) and Llano’s Wild West Weekend (October 14-16) are big reasons why I have that impression. But there are several other things going on that seem to confirm it. The first that comes to mind was October 2 has been designated by the Daughters of the Republic of Texas as Gonzales Day, marking the Battle of Gonzales and the beginning of the Texas Revolution. The DRT is going to have a special event for all Texan to fly their Texas flags in honor of the pioneers who fought in the 1835 Battle of Gonzales.

Another “history” event is the wonderful Western Tapestries on the Llano County Historical Museum (see page 11 for details). Then there’s the Archaeology Fair at the Lamar E. Turner Library in Bastrop (10 a.m. to 4 p.m. on Wednesday, October 12) and the “Lunch with an Author,” featuring WWII researches Dennis Blotki at the Marble Falls Library on Thursday, October 13. There’s probably more, but that’s all I remember right now (and I think it’s enough to make my point).

While I’m thinking of history, I want to mention that Jo Ann Myers, from the Burnet County Historical Commission, wishes to thank all those who helped make the Joppa Fall Fyv such a big success. It was a great event and the funds raised will go to refurbish and preserve the last two remaining iron bridges in Burnet County.

If you’d like to help preserve the local history of Marble Falls, you could purchase a granite tile engraved with your family name to be placed in the landing of the new entrance of the Falls at the Colorado Museum. Please call museum board chairman Dennis Cowart at 830-786-2101 for more details.

I never keep a comprehensive list of events that I have missed, but it seems like there were more in September. I can easily regret almost all of them, but to me it’s even worse to go and take pictures at an event and then have to leave it out of the paper because I don’t have enough space. I’ve had to do that several times this month, and probably would have had to do more if it had made it to all the events I wanted to attend. My main purpose in publishing this paper (other than paying for the bills) is to let people know that there are a lot of good things happening in our corner of the world. I think my readers know that’s true.

Speaking of good things happening, Sequoia Ford is inviting everyone to a CD release at the Hickory Country Fellowship in Burnet on Sunday, October 16 (7 p.m.). I must have about 15 years ago when she was competing for “Little Miss” (a some- thing like that) at the Burnet County Rodeo. Now she is an accomplished singer/songwriter who has been spending a lot of time in Nashville. Her CD is called “She’s of Light” and judging from the snippets I’ve heard, it is very good. I hope to be there to get an autographed copy.

I’m not a golfer, I’ve always heard that it’s addictive and expensive, so I tried to avoid it. Now that I go to take pictures at various tournaments, I sort of understand the appeal, and I definitely see the benefits of golf tournaments in great ways to have a lot of fun while raising money.

Suzanne Johnson Scholarship Fundraiser

On a beautiful Saturday evening, an overflow crowd gathered at Log Country Cove's new "Cedar Skies" event building to honor the memory of Suzanne Johnson by contributing to the scholarship endowment which bears her name. The endowment has raised hundreds of thousands of dollars for scholarships since she passed away in 2011.

Inside the beautiful hall, Mrs. Johnson's son, Jack, played dance music with the Austin Brothers Band, from Nashville. Her family and employees of the First State Bank of Burnet (where her husband, Cary, has served as president since 1989) were very much involved in arrangements for the gala event each year. This year's fundraiser had an "Old Time County Fair" theme, and included live and silent auctions.

Pet of the Week

This is Julie. She is a domestic shorthair, about 1 1/2 years old. She loves everyone, even dogs. Julie is ready for adoption at the Hill Country Humane Society. It would be $75 to adopt her. If you would like more information on Julie, or any of our other wonderful pets, please call the shelter at 512-793-5453. The shelter is open Thursday through Monday, 11 a.m. to 4 p.m.
